

STAR Family Health Team

currently seeking a
P/T Mental Health Worker
(.4 FTE)

The STAR Family Health Team provides comprehensive primary health care services to two clinics in Stratford, and one clinic to serve Tavistock And Region (STAR). It consists of a forward-thinking group of family physicians, nurse practitioners, nurses, mental health workers, dietitians, pharmacists, and a psychological associate, all supported by a committed and experienced administrative staff.

Roles and Responsibilities:

We are looking for a part-time Mental Health Worker to join our dynamic team. As a vital member of the patient-focused team, you will provide counselling and psychotherapy services in Stratford and Tavistock with particular focus on individual and family issues. The Mental Health worker should have knowledge and mastery of a variety of therapeutic models (ie. CBT, Mindfulness, EFT). You will be expected to work within the primary care model of brief therapy, ensuring the transition to community resources as appropriate. The Mental Health Worker will be passionate and self-driven and act as an advocate for patients and their families in matters affecting health. You may be required to run evening and daytime groups.

Qualifications:

Education and Specific Job Requirements

Masters Degree in Social Work or Related Field

Registered with the Ontario College of Social Workers and Social Service Workers or College of Registered Psychotherapists of Ontario

Minimum of 3 years of clinical experience preferred

Experience working with grief and trauma would be an asset

Ability to work with a wide variety of clientele (presenting issues and ages)

Ability to work collaboratively with a variety of health professionals

Ability to operate with the highest level of confidentiality and discretion
Exceptional oral, written, and presentation skills;
Strong interpersonal skills
Group facilitation skills
Ability to work with local community-based services
Ability to prioritize, manage time effectively and be flexible in a very active work environment
Experience with Microsoft Office and EMR (or willingness to learn)
using Apple and/or PC computers required

If you would like to be part of this supportive and progressive Family Health Team please submit a cover letter and your resume by email to:
