

## **NOW ACCEPTING Cloth Mask Donations**

The STAR FHT and Stratford FHT are committed to the safety and well being of our patients, providers and community. To help our nurses, doctors, and other front-line health professionals combat COVID-19 we need equipment to keep us all safe.

We are asking the community to help by making and donating re-usable cloth masks that can be given to patients in need of face covering. This will go a long way to protecting our most vulnerable populations and the elderly. Click on the link below to see sew and no-sew options for making masks.

If you would like to make a donation of face coverings please call 519-273-1060 or drop off at 700 O'Loane St in Stratford between 1-4pm. We thank you for your on going support and commitment to the health and well-being of our community.
